PC:

The petitioner and the respondent No.1 have filed consent terms on record. After holding an inquiry the petitioner was dismissed from service and aggrieved thereby petitioner preferred an appeal before the School Tribunal. The School Tribunal concurring with the view taken by the Inquiry Committee in held that the

petitioner is guilty of charges of misconduct and has proceeded to dismiss the appeal. Respondent No.1 has agreed to convert the punishment of dismissal into that of removal and on that count petitioner seeks disposal of writ petition. It appear that on account of conversion of punishment from dismissal to removal the petitioner expects to get some retiral benefits. Learned counsel appearing for respective parties placed on record consent terms which are taken on record and marked `X' for identification. The petitioner who is present in the Court admits the consent terms to be true and correct. A joint prayer is made for disposal of writ petition in terms of said consent terms. Hence writ petition is disposed of in terms of consent terms marked `X' for identification.
